Consumer Bunch

The Consumer Bunch program allows you to provide tailored solutions for your customers, assuring consistent value, and marketing flexibility.

Bouquets

You can build your designs straight from the farm, at optimal price costs, with fresh, high quality product.

Seasonal Pack

Our Seasonal Holiday Packs have been specially designed to meet your color-breakdown needs during the most important seasons. A flexible solution to your demanding market, providing the right colors at the right time.

Bulk

We produce more than 500 varieties along 25 product lines that are available to you on a daily basis. Each box is packed to meet your needs with regards to color breakdown and quantities. For detailed product information please contact us.

The Golden Difference

At Golden Flowers we believe that relationships are built on mutual trust and understanding. Relationships flourish when we engage each other, share our destiny and control, and interact with honesty and integrity. We strive to know your business needs, and welcome the opportunity to align our offering with those needs. We believe that growth and progress can only come through partnerships, and invite you to COME PARTNER FOR PROGRESS.

Product directly from the farm with the service of a Miami Partner
